<https://beta.nationalcareers.service.gov.uk/>

**Week 3) Researching jobs that might be relevant in the 'future' (a changing world)!**

**Week 4) Produce an advertisement for a Job that interests you**

**Week 5) Produce a job description**

**Week 6) Why is education important?**

**Week 7) What can you study at University?**

# Week 3

## Task

**Researching jobs that might be relevant in the 'future' (a changing world)!**

- **The website:**  
**[nationalcareers.service.gov.uk/explore-careers](https://nationalcareers.service.gov.uk/explore-careers)**
- 
- **is an A-Z Tool that offers a description of numerous jobs (not just NHS)**

# Task 1 – Jobs of the Future

## TASK

What are the jobs of the future?

- Careers have changed a lot over the past hundred, ten or even few years!
- What would jobs of the future look like?
- *Make a list of skills* that will be important for these future jobs.
- This could be a **page of 'online' research**

# Deadline & Prizes

- **Send your logo, slogan and letter to *competition@chiswickschool.org***
- Please include your **full name** on your entry  
**Competition 2 – enter by Monday 6th July**  
**Prizes** to be awarded for the most inventive and relevant research
- **(Amazon e-vouchers)**
