July 2020

Dear Year 6 students,

I hope that you and your families are safe and well.

Welcome to Design and Technology at Chiswick School

In Design and Technology you will have the opportunity to learn a wide range of new knowledge and skills. In Years 7 to 9 you will spend one term each year in each of the following subject areas:

- Food
- Product Design
- Textiles

In this pack you will find fun activities for each of these subject areas. Please try to complete as many as you can in order to find out more about Design and Technology and to prepare for your start at Chiswick School in September.

We would love you to bring your completed work to your first Design and Technology lesson in September. If you can't wait until then, you could share a photo with us on Twitter @ChiswickDT or email it to [primarytransition@chiswickschool.org](mailto:primarytransition@chiswickschool.org). We look forward to seeing your creations and to meeting you in September.

Best wishes

Mrs B Simmons: Food

Mrs S Hutcheson: Product Design

Ms R Dell-Uomo d'Arme: Textiles
