Transition: All About Me

Name:

Dear Parents, Carers and new Year 7 Students,

We are looking forward to seeing you in September for your next adventure of starting secondary school.

Usually we would come out to visit you, meet each other and answer any questions you may have. Unfortunately that cannot happen this year due to the Covid-19 pandemic.

This pack is designed so that we can learn something about you before you start. We will share this with your Form Tutor.

Very soon there will also be a video which will give you a tour of the school, you will meet some key staff and I will answer some of the most asked questions. We will email the link to your parents and put it on the Twitter page.

This booklet is in two parts – one for you and one for your parents. Both parts need to be completed.

Remember we are here for you. If you have any worries or questions then you can email: primarytransition@chiswickschool.org.

See you all soon,

Mr Chavda
Learning Co-ordinator Year 7

So that your Form Tutor can get to know you better, please can you fill in your information on the Mind map below.
