

Employers and Employees: Can you support? Can we support you?

At Chiswick School we work with numerous employers and employees across a range of industries. It is our aim to provide encounters with employers and employees and experiences of the workplace, as set out below:

Gatsby Benchmark 5: Encounters with Employers and Employees

- To ensure that students receive at least ONE meaningful encounter with an employer during every year they are at school.
- Increase the number of activities which are conducted within school with the support of local employers and parents.
- To ensure that students have the opportunity to improve employability skills and their understanding of and awareness of entrepreneurship
- To enable learners to gain the confidence to compete in the labour market by providing opportunities to gain the practical know-how and attributes that are relevant to gaining employment.
- Develop marketing materials for employers which will help them easily understand the impact of their involvement, the breadth of options available to them and the ways in which they can show they meet their corporate social responsibility.
- Create mechanisms where parents and alumni can express their interest to actively support employer related activity taking place within the school.

Gatsby Benchmark 6: Experiences of the workplace

- To ensure that students receive at least ONE meaningful experience of the workplace by the end of year 11
- To ensure that students receive at least ONE further meaningful experience of the workplace during year 12.
