Clubs A-Z

Club	Description	Club	Description
Allotment (12 spaces)	Grow (and eat!) delicious fruit & vegetables from seed including pumpkins, potatoes and plums! All tools provided. Bring a bottle of water and a pair of old shoes to change into.	Maths Mastery	Love Maths? Want to try some difficult maths challenges. Come to this club once a week at break time to become a master of maths!
Art	Explore your creativity! Come and try some specialist materials that you will not have an opportunity to use in class	Netball	Love netball? Never tried it before? Come and play for fun or try out for the schools team
Badminton	Play singles and doubles badminton and improve your racket skills	Orchestra	Do you want to play an instrument with other people who love music? Do you want to get the chance to be part of some great concerts with your friends? All abilities welcome! If you do not currently play an instrument then let Mr Moxon know and we can support you
Basketball	Come and enjoy basketball with Coach Mike. You will learn drills and skills to help you to improve your basketball skills. All abilities welcome!	Past & Present Club (Humanities)	Do you want to find out about topics you won't study in the classroom in History and Geography? We will be running games and activities each week to give you the chance to find out about everything from the space race to Genghis Khan! You can even suggest topics yourself!
Boxing (20 spaces)	Come and try out shadow and pad boxing at this club with our coach Lloyd. Gloves will be provided and adhere to Covid19 hygiene regulations.	Performing Arts	If you want to get on your feet and do something challenging and exciting, and show people what you can do...then come to Drama. We will be working towards a performance (sometime near Christmas). Previous experience and talent are not a requirement!
Computer Science	Introduction to Computer Science. Master Python and learn the fundamentals of Computer Science, like data structures and algorithms. These skills are the key to writing more efficient code.	Rainbow Alliance	Join a club as a member of the LGBTQ+ community or an ally. Help to work with the school to support LBBTQ+ rights and run events throughout the year including Pride events
Dance*	Come to the Dance studio and dance like nobody's watching! Miss Knight will take you through warm up exercises, dance routines and technique. You do not need to be able to dance, you just need to want to! *this club starts and finishes later (16.00-17.00)	Science Club	A chance to get a hands on approach with scientific equipment individually and get to put into action what you are learning in the classroom
Debate Mate	Are you interested in current events? Are you a keen public speaker? If so, then KS3 Debate Club is for you! Not only will you have the opportunity to engage in exciting discussions with students across years 7-9, you will also learn some key skills that will help you communicate in a variety of situations. both in school and out!	Spanish Club	Join this club to learn conversational Spanish. You can be a complete beginner or have a basic competency in the language. If you speak Spanish, come along and support others!
Enterprise	Do you aspire to run your own company one day? Then the enterprise club is for you. Create your own business plan and maybe even launch it at school!!	Steel Pans	Join this funky music club and get to play a percussion instrument made from industrial drums
Food club* (18 space /wk)	Students will need to sign up weekly with Mrs Simmonds. Students will have the opportunity to make a range of typical teatime treats and snacks. *this club finishes at 16.30	Table Tennis	Come and play for fun or competitively. From complete beginners to absolute pro's - this club is for you to develop your skills as a table tennis player.
Football Club - boys and girls	Love football? Inspired by the recent Euro's. Come and play for fun or try out for the schools team	Textiles	How about some fashion? Come to textiles and learn how to use different fabrics to create household items and clothing.
