- By signing up to a club you are committing for one half term.
- Some clubs have limited numbers - they are booked on a first come first served basis

Clubs A-Z

Club	Description	Club	Description
Allotment	Grow (and eat!) delicious fruit & vegetables from seed including pumpkins, potatoes and plums! All tools provided. Bring a bottle of water and a pair of old shoes to change into.	Football Club - boys and girls	Love football? Inspired by the recent Euro's. Come and play for fun or try out for the schools team
Art	Explore your creativity! Come and try some specialist materials that you will not have an opportunity to use in class	Maths Mastery	Love Maths? Want to try some difficult maths challenges. Come to this club once a week at break time to become a master of maths!
Badminton	Play singles and doubles badminton and improve your racket skills	Netball	Love netball? Never tried it before? Come and play for fun or try out for the schools team
Basketball	Come and enjoy basketball with Coach Mike. You will learn drills and skills to help you to improve your basketball skills. All abilities welcome!	Orchestra	Do you want to play an instrument with other people who love music? Do you want to get the chance to be part of some great concerts with your friends? All abilities welcome! If you do not currently play an instrument then let Mr Moxon know and we can support you
Boxing (10 spaces)	Come and try out shadow and pad boxing at this club with our coach Lloyd. Gloves will be provided and adhere to Covid19 hygiene regulations.	Performing Arts	If you want to get on your feet and do something challenging and exciting, and show people what you can do...then come to Drama. We will be working towards a performance (sometime near Christmas). Previous experience and talent are not a requirement!
Communicating Philosophy	Is it acceptable to eat animals? Is it wrong to play video games? What about stealing, is it ever okay? Come explore and discuss big philosophical questions and investigate what Jeremy Bentham, John Stuart Mill, Immanuel Kant and Aristotle think!	Rainbow Alliance	Join a club as a member of the LGBTQ+ community or an ally. Help to work with the school to support LBBTQ+ rights and run events throughout the year including Pride events
Computer Science	Introduction to Computer Science. Master Python and learn the fundamentals of Computer Science, like data structures and algorithms. These skills are the key to writing more efficient code.	Science Club	A chance to get a hands on approach with scientific equipment individually and get to put into action what you are learning in the classroom
Dance*	Come to the Dance studio and dance like nobody's watching! Miss Knight will take you through warm up exercises, dance routines and technique. You do not need to be able to dance, you just need to want to! *this club starts and finishes later (16.00-17.00)	Spanish Club	Join this club to learn conversational Spanish. You can be a complete beginner or have a basic competency in the language. If you speak Spanish, come along and support others!
Debate Mate	Are you interested in current events? Are you a keen public speaker? If so, then KS3 Debate Club is for you! Not only will you have the opportunity to engage in exciting discussions with students across years 7-9, you will also learn some key skills that will help you communicate in a variety of situations, both in school and out!	Steel Pans	Join this funky music club and get to play a percussion instrument made from industrial drums
Design Technology	If you love designing and making then this is the club for you. You will have the opportunity to design a clock, using hand drawing and Computer Aided	Table Tennis	Come and play for fun or competitively. From complete beginners to absolute pro's - this club is for you to develop your skills as a table tennis player.

(18 spaces)	Design (CAD). You will then make the clock using a range of tools and equipment including Computer Aided Manufacture (CAM) using our laser cutter.		
Food club* (18 space /wk)	Students will need to sign up weekly with Mrs Simmonds. Students will have the opportunity to make a range of typical teatime treats and snacks. *this club finishes at 16.30
